## YOUR GENERAL PROFESSIONAL TYPE

You have a balanced self, making you suitable for various types of work. They range from entrepreneurial to operational management, support staff and consulting. You are suited to work both in teams and on your own.

You tend to solism. You can energize yourself as a self-starter. Make sure you keep your egocentrism in check and your feet on the ground.

You may lack objectivity and perspective. Others with a more distant way of looking at things may help you out there. You are involved in non-subjective, important matters of a timeless, principled nature. Your ego is subservient to that.

To you, work has a meaning in itself. It is also a way for you to contribute something meaningful to society, rather than pursuing personal interests. Money or status are of little or no importance to you.

You are a **Universalist**. You have a connection to the collective unconscious. You operate in a subtle, discrete manner. You may exert considerable indirect influence, while keeping your distance. You have a metaphysical and/or religious connection.

## YOUR CORE SELF / PRIMARY ASPECTS

You are a **Sensible and Empathical** person, with a talent for providing services. You are a perfectionist and you are integrity- and security-driven. You are at home in small or mid size business, family business, family care or other tightly-knit communities with lots of heritage, traditions and / or codes.

Your strong sensibility is converted into intellectual ability and the power to think on an abstract level.

## YOUR CORE SELF / ADDITIONAL ASPECTS

You are very career-minded. You tend to work very hard to succeed. You should beware of workaholism.

## **YOUR CORE TALENTS / GENERAL**

Your considerable intellect is used as a defense mechanism on behalf of your equally high sensitivity. You are a sharp observer and researcher. You can detect and characterize what is actually going on. Your ego is dedicated to serving a greater good. You are a charismatic communicator. You can be dominating, brutally honest but charming.

## **YOUR CORE TALENTS / DOING**

You want to exert decisive influence and are ready to challenge any taboo or fashionable opinion in the process. You can be an effective crisis manager and troubleshooter, ready to shake things up. But your biotope can also be behind the screen. You may work in comparative anonymity on projects (research, product development, campaign preparation) that are presented on stage once they are completed. You can for instance be a scientific researcher, product developer, movie director or marketer. Deep motivational psychology and therapy may be another field that suits you.

You have good conceptual, developmental and innovative skills.

## **YOUR CORE TALENTS / THINKING**

You are a good legislator. You have a strong intellectual capacity. You are playing according to plan. You are not inclined to do practical, functional work. You have an interest in the subconscious, in timeless principles and in metaphysics.

## **SOME STRENGTHS...AND CHALLENGES**

You are strong in critical reasoning and planning rather than executing and operating. Precision is your middle name. You have considerable can-do energy which you should carefully direct to well-chosen goals.

You are a good turnaround manager. This is a great profession for you to help you cope with your reluctance to deal with power matters and power abuse.

You have a talent for social innovation. You may work on new, revolutionary social structures. Out of decay new and unexpected options may appear out of the blue for you.

## **YOUR WAY OF ASSET BUILDING**

Creating and preserving wealth, material results and/or group recognition is key for you.

Your income and wealth may wax and wane. You have a conservative approach to investing. You are apt to attend to family business or real estate. Money is spent on or invested in health, wellness, security and sustainability.

## **YOUR TYPE OF WORKING LIFE**

You are highly adaptive at the workplace, but you have limited patience and you need lots of variety. You have a strong need to feel passionate about your work. You have an international scope. You like to work in a visionary environment. You may be into work with an educational, developmental character. Your job might include plenty of reaching out and connecting: account manager, marketeer, promotor or motivator.

Your working environment is ruled by visions and ideas. You are a good advisor and conceptualizer. You can provide direction for research and development - in academic circles, but also in marketing or advertising. You may also work as an export manager or agent. Or you may be effective in the travel & tourism industry. If religious, the clergy may suit you too. In fact, any working environment where new horizons are explored is right for you.

You prefer a familiar, personalized and comfortable working environment.

## **YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH**

Recognize the talents of others and synergies of teams to let your own talents flourish.

Dare to let go and grow beyond defensive materialism and conformism which may keep you small.

## **YOUR RESULTS**

You may frequently change your goals in life. You go with the flow when setting and fluidly adjusting your goals in life. You rely heavily on your intuition. Your destination lies in guiding and being guided by universal, timeless principles. Your destination is determined by your fundamental ability to work on something new rather than aiming for prestige. Your personal interests should clearly be subordinated to matters of greater importance for society as a whole. You are an intellectual, legislator or communicator. You are cut out to be in government or civil service. You may operate in situations and settings which bear far-reaching impact.

You sense into the (collective) subconscious and know about the relativity of the here and now. This fuels your creativity. Becoming independent is both painful and necessary.

## **YOUR GENERAL ROLE IN SOCIETY**

Broadly, your position is in the **Governance** stage, which is after the Social stage and before the cycle starts again with the Individualist stage. In the Governance stage, the focus in life is on general standards and values rather than on one's own individuality or on specific groups.

More specifically, yours is the **Demonstration** phase. This phase stands for spreading the word. You have a strong missionary zeal.

Within this phase, you have the position of **Lecturer**. You strive for perfect transmission to others of perfect insight and oversight. Famous persons with this Lecturer position are Édouard Manet, Albert Einstein, Frank Zappa, Winston Churchill, Isabel Allende, Burt Bacharach.

## **YOUR ABILITY TO HELP OTHERS**

You have a talent to help others find their individuality and their unique talents.
