## **YOUR GENERAL PROFESSIONAL TYPE**

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You are a "farmer", working towards concrete material results, possibly reaping what others have sown. Acknowledge that you may need others for inspiration and ideas. You may lack objectivity and perspective. Others with a more distant way of looking at things may help you out there. You show who you are by what you create. You are at home in the public space, in dialogue and in partnering.

To you, work has a meaning in itself. It is also a way for you to contribute something meaningful to society, rather than pursuing personal interests. Money or status are of little or no importance to you.

You are a **Legislator**. You set standards and rules, or see to it that they are complied with. You have representational, diplomatic ability. You are good at keeping of the meaning.

## **YOUR CORE SELF / PRIMARY ASPECTS**

You are a typical **Builder**, dedicated to growth. You are good at quality management. You are design-conscious. You prefer to develop things (and yourself) slowly but steadily.

Within a group or layer of society, you set out to be as independent as possible by accumulating assets or launching disruptive ideas.

## **YOUR CORE SELF / ADDITIONAL ASPECTS**

You strive for a leadership position. You may obtain decisive influence or even fame in a smaller or wider circle.

## **YOUR CORE TALENTS / GENERAL**

You strive to order the outside world and you throw in your own personality while you are at it. You are suitable to be a historian, futurist or psychologist. You may work in a religious function or as a cultural anthropologist. Travelling (physical or in the mind) becomes you. You have a paternal style. You are fond of children.

## **YOUR CORE TALENTS / DOING**

You can be a good District Attorney, litigator, or key relationship manager. You shuttle between chaos and order, the end and new beginnings which seem to emerge out of nothing. You have a latent aggression waiting to be put to use.

## **YOUR CORE TALENTS / THINKING**

You are a good legislator. You have a strong intellectual capacity. You are playing according to plan. You execute plans and projects in a well-coordinated way. You are good at selling.

## **SOME STRENGTHS...AND CHALLENGES**

You may not realize how trapped you are in (possibly comfortable) circumstances until you have developed a clear personal vision that may ultimately set you free.

You have the ability to regenerate and start completely anew time and again.

It is important for you to release your own soul, your own emotions - or you risk being limited by group pressure. Remember that giving birth means letting go.

You need to work at synthesizing your own visions with the ones held by the outside world. New ideas may emerge as a result.

You may have to deal with feeling rejected or abandoned, which ultimately leads you to get your own life.

You tend to formality. You shuttle between conservatism and revolutionism. You have the talent to be a good legal professional. You should free yourself from threats and limitations which are mainly in your mind or imposed by others and their ideologies. You shuttle between glowing fantasy and cold rationality. You tend to occupy yourself with other eras than the present (antiques, archives, history, future). You should be careful not to be exploited or scapegoated. You tend to be a bit paranoid, which is sometimes warranted but not always. You are able to 'be both poet and killer' and to turn deficits and losses into gains.

## **YOUR WAY OF ASSET BUILDING**

Your income may vary and / or may come from various sources.

Next to monetary remuneration, immaterial compensation is of high importance to you as well. You are into trading, selling and operational activities. Money primarily serves to reinforce your authority and to get you up the ladder of success.

## **YOUR TYPE OF WORKING LIFE**

You are highly adaptive at the workplace, but you have limited patience and you need lots of variety. You are practical and well-organized. You are good at precision work and you have a good eye for detail.

Generally, you work for fame or at least to contribute to matters of a higher order. You are bound to assume high office and have top manager capability. You are also fit for HR management. Alternatively, the medical profession could suit you.

You may work in professions that convert abstract principles into concrete perceivable shape: music, religion or creative mass communication.

## **YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH**

Stand back and see the big picture before you mobilize your fast intellect.

Dare to let go and grow beyond defensive materialism and conformism which may keep you small.

## YOUR RESULTS

You are goal-oriented and operationally strong. You work toward your goals in a rational and persistent manner. Your destination is to elevate knowledge, individuals or communities to higher standards. Your destination is determined by your fundamental ability to influence public consciousness and to engage in effective partnering. You are an intellectual, legislator or communicator. Social harmony is essential to you. Your calling is to support others in their career, possibly helping the disadvantaged. You may be involved with honourable charities. You are a social critic, educator and reformer.

## YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Governance** stage, which is after the Social stage and before the cycle starts again with the Individualist stage. In the Governance stage, the focus in life is on general standards and values rather than on one's own individuality or on specific groups.

More specifically, yours is the **Demonstration** phase. This phase stands for spreading the word. You have a strong missionary zeal.

Within this phase, you have the position of **Ideologist**. At this first stage of the Governance type, you have an interest in and connection with past generations. You have a spiritual, philosophizing inclination. You achieve bonding with other people through the cherishing of cultural heritage, which you convert into contemporary shape and clear (role) models. Famous persons with this Ideologist position are Diana Spencer, Vladimir Putin, Thomas Jefferson and Andy Warhol.

## YOUR ABILITY TO HELP OTHERS

You have a talent to support others in finding their position in society.
