YOUR GENERAL PROFESSIONAL TYPE

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You have a top manager personality. You are a pioneer and inspirator. You may need other, practical and down-to-earth people to make sure that your talents and efforts actually bear fruit. You are involved in non-subjective, important matters of a timeless, principled nature. Your ego is subservient to that. You can be initiator, presenter or actor. Routine work is less suitable for you.

You are a **Messenger**. You have versatile interests and need freedom of movement. You have a calculating mind. You can be a speaker or journalist. You can be a representative or agent. You can also be a teacher or trainer.

YOUR CORE SELF / PRIMARY ASPECTS

You are a **Leader** by nature. You are energizing, stand for something, and have the personality of a figurehead. You may be a bit inflexible in your views. Avoid being too smug about yourself.

You have a strong urge to be independent and self-sustaining. You have a strong drive to act, and tend to be self-willed.

YOUR CORE SELF / ADDITIONAL ASPECTS

You are courageous and can motivate others well. You have a strong drive. You are 'a good sport' by nature and possibly into sports as well. You may bring the invisible to light. You are not good at truly listening to what other people have to say. Being tactful is something that does not come naturally to you.

You strive for a leadership position. You may obtain decisive influence or even fame in a smaller or wider circle.

YOUR CORE TALENTS / GENERAL

You have a neutral and formal way of dealing with the outside world, and plenty of interest in current and social affairs. Your ego is dedicated to serving a greater good.

You have leadership potential.

YOUR CORE TALENTS / DOING

You are energetic and pro-active. Rather than losing yourself in theorizing, you are good at learning by doing. You are an excellent trainer or coach, but also fit for the military, the world of sports or other occupations that involve physical effort and do not involve too much desk work.

You have risk appetite and like to engage in whatever looks new and adventurous.

YOUR CORE TALENTS / THINKING

You have a talent for writing and performing. You are good at staying up to date with current affairs. You are at your best in informal partnerships. You can detect and report new social trends. You may represent or manage social groups and networks.

SOME STRENGTHS...AND CHALLENGES

You bring a strong vitality along with everything you do, provided you accept yourself.

You are good at representational and social support work. You are a gatekeeper of value. You should avoid being subjected to excessive social or peer pressure.

You tend to format and categorize emotions and feelings. You are apt to operate with great, sometimes maybe too much discipline. As a result, you may suppress your sensibility.

You have a knack for aesthetics and fine arts.

Your career aspirations might be the acting out of a compensation. Don't forget who you really are and stay close to that person.

YOUR WAY OF ASSET BUILDING

Material things, status and prestige are matters which trigger a clear sensitivity or even vulnerability in you, possibly caused by earlier hurtful experiences in these departments while growing up. You should overcome a tendency to make your self-esteem overly dependent on these factors.

YOUR TYPE OF WORKING LIFE

Routine and procedures are important to you. You are idea-driven and good at learning on-the-job.

You are good at short bursts of super concentration. This can be valuable in many different jobs: as a pilot or surgeon, as a journalist, in the movie industry, in the kitchen or as an inventor.

Your destination is determined by your fundamental ability to work on something new rather than aiming for prestige.
