## **YOUR GENERAL PROFESSIONAL TYPE**

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You are especially suited for production, continuity and line management. You have a strong will. You are result-oriented, dedicated to the development of tangible or intellectual capital. You are searching and accepting operational responsibility. You are involved in non-subjective, important matters of a timeless, principled nature. Your ego is subservient to that. You are ambitious and seek success, status and recognition.

You are a **Community** person. You are emotionally sensible and strongly attached to what you feel to be your home base, yet you are very precise in your thinking. You can be a housekeeping or care professional, or an historian. You tend to work in privately held rather than listed companies. You may work in family business, in small- to mid size enterprises or in any other community where everybody knows each other by name.

## **YOUR CORE SELF / PRIMARY ASPECTS**

You are an **Analyst**. You are good at diagnostics, highly efficient and good at operational improvement. You have talent for complex retail operations, processes and logistics. You are also interested in legal matters. You are understated in your appearance. You tend to mentally position people in specific compartments and should beware of playing people off against each other.

You have a critical mindset. You strive for security by thoroughly analyzing situations and calculating risk.

## **YOUR CORE SELF / ADDITIONAL ASPECTS**

You are courageous and can motivate others well. You have a strong drive. You are 'a good sport' by nature and possibly into sports as well. You may bring the invisible to light. You are not good at truly listening to what other people have to say. Being tactful is something that does not come naturally to you.

You understand mass movements. You have a link to the collective subconscious. You do not belong to any well-defined social circle and you tend to work discreetly, behind the screen.

## **YOUR CORE TALENTS / GENERAL**

You have a strong sensibility and a strong urge to identify with the outside world. You compensate this with precise thinking. You tend to subscribe to social dictates but may have the talent and courage to question them as well.

You are very creative and original. You have an impersonal oversight. You may have friends in high places. You may be active in social movements. You are an optimist. Yours is a world of secret or past adventure.

## **YOUR CORE TALENTS / DOING**

You are energetic and pro-active. Rather than losing yourself in theorizing, you are good at learning by doing. You are an excellent trainer or coach, but also fit for the military, the world of sports or other occupations that involve physical effort and do not involve too much desk work.

You may pioneer on behalf of ventures which materialize later. You practice sharp criticism and have an urge to get to the bottom of things.

## **YOUR CORE TALENTS / THINKING**

You have the talent to work as an impartial background consultant, lobbyist or psychologist. You are good at work involving the law, contracts or communication.

## **SOME STRENGTHS...AND CHALLENGES**

You may not realize how trapped you are in (possibly comfortable) circumstances until you have developed a clear personal vision that may ultimately set you free.

You have the courage to question societal abuse and taboos. You are somewhat of a lone wolf and tend to act on impulse. Open plan offices are not for you.

Too conformist an environment may limit you more than you may realize. You tend to hold on, even when letting go would be much better.

You are good at representational and social support work. You are a gatekeeper of value. You should avoid being subjected to excessive social or peer pressure.

## **YOUR WAY OF ASSET BUILDING**

Creating and preserving wealth, material results and/or group recognition is key for you.

Next to monetary remuneration, immaterial compensation is of high importance to you as well.

You are at home in luxury businesses, arts and crafts businesses, in partnerships and alliances. You may also want to consider the legal profession.

Value can be created for you with the help of social networks.

## **YOUR TYPE OF WORKING LIFE**

Routine and procedures are important to you. You are idea-driven and good at learning on-the-job.

You are good at short bursts of super concentration. This can be valuable in many different jobs: as a pilot or surgeon, as a journalist, in the movie industry, in the kitchen or as an inventor.

You prefer to work alone or from home. You have interest in the imaginative arts. You may be occupied with data or history mining.

## **YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH**

Stand back and see the big picture before you mobilize your fast intellect.

Come nearer to your roots, who you are and where you're from, and your worldly career will only prosper.

## **YOUR RESULTS**

You may frequently change your goals in life. You are highly flexible and adaptive in your goal-setting. Your goals may be greatly mental and spiritual.

Your destination is in learning, communicating and connecting and in finding agreements.

Your destination is determined by your fundamental ability to (re)focus on timeless principles and/or to work in a secluded environment. You may also have a sense for 'the next big thing' before it has materialized, or have a connection to society's collective subconscious in general.

Your leadership has a spiritual, suggestive quality.

You may well be entrusted with political assignments. Your assignments may contain a certain exile or isolation for the greater good.

You are able to convert chaos into thoughtful, clear models.

## **YOUR GENERAL ROLE IN SOCIETY**

Broadly, your position is in the **Social** stage between the earlier Individualist and later Governance stage. In the Social stage, the ego meets the outside world.

More specifically, yours is the **Victory** phase. This phase stands for strong growth, in which the subjective ego retreats further and a path is followed towards objective viewpoints.

Within this phase, you have the position of **Change Ideologist**. Possibly fueled by dissatisfaction with yourself and your circumstances, you develop a sharp criticism of the actual world and you engage into meticulous studying, theorizing and conceptualizing to make the world a better place. Famous persons with this Change Ideologist position are Bill Gates, Mikhail Gorbatsjov, Napoleon Bonaparte, John Ruskin, Ernest Hemingway, William Morris, Yves Saint Laurent.

## **YOUR ABILITY TO HELP OTHERS**

You have a talent to make others feel that they have a secure base. You have a talent to bring others in contact with their roots and their emotional needs.
