YOUR GENERAL PROFESSIONAL TYPE

You have a balanced self, making you suitable for various types of work. They range from entrepreneurial to operational management, support staff and consulting. You are suited to work both in teams and on your own. You are searching and accepting operational responsibility. You may need the push from other, enthusiastic people to become driven enough to act yourself. You are involved in non-subjective, important matters of a timeless, principled nature. Your ego is subservient to that.

To you, work has a meaning in itself. It is also a way for you to contribute something meaningful to society, rather than pursuing personal interests. Money or status are of little or no importance to you.

You are a **Messenger**. You have versatile interests and need freedom of movement. You have a calculating mind. You can be a speaker or journalist. You can be a representative or agent. You can also be a teacher or trainer.

YOUR CORE SELF / PRIMARY ASPECTS

You are a **Sensible and Empathical** person, with a talent for providing services. You are a perfectionist and you are integrity- and security-driven. You are at home in small or mid size business, family business, family care or other tightly-knit communities with lots of heritage, traditions and / or codes.

You have a strong sensibility and a tendency to move towards, away from and back again to the world outside.

YOUR CORE SELF / ADDITIONAL ASPECTS

You have a practical intellect. You are fit for jobs in communication, such as journalism. You may work as a representative for the government or other larger organizations. You like landscaping and travelling.

YOUR CORE TALENTS / GENERAL

You are able to convert chaos into thoughtful, clear models. You are a skeptic.

You are very creative and original. You have an impersonal oversight. You may have friends in high places. You may be active in social movements. You are an optimist.

Your home is your castle, whether it is big or small. You are less suited for equal partnerships.

YOUR CORE TALENTS / DOING

You can be a good turnaround manager. You have technical or craftsmanship skills. You are good at precision work.

You tend to challenge any established order.

YOUR CORE TALENTS / THINKING

You have a talent for writing and performing. You are good at staying up to date with current affairs. You are at your best in informal partnerships. You are not inclined to do practical, functional work. You have an interest in the subconscious, in timeless principles and in metaphysics.

SOME STRENGTHS...AND CHALLENGES

You are a positive thinker; take care not to overdo things. You experience and / or exude hope, trust and great expectations. Beware of becoming caught in delusional fata morganas - and avoid creating them in the minds of others.

You have the ability to regenerate and start completely anew time and again.

You may successfully break away from limiting situations quite drastically and suddenly. Your world view may change abruptly; so may your social standing. The price you pay is estrangement from previous beliefs and / or peers.

You may have to overcome rejection before you succeed. You have the courage to question societal abuse and taboos. Beware of being stuck in future-oriented expectations instead of acting here and now on your behalf.

YOUR WAY OF ASSET BUILDING

You carry on relentlessly for wealth creation and material security.

You have a certain impulsiveness in money matters.

You want to build your personal empire and lead a regal life, which others may benefit from as well, provided they pay tribute to you.

Value can be created for you with the help of social networks.

YOUR TYPE OF WORKING LIFE

You are highly adaptive at the workplace, but you have limited patience and you need lots of variety. You have a strong need to feel passionate about your work. You have an international scope. You like to work in a visionary environment. You may be into work with an educational, developmental character. Your job might include plenty of reaching out and connecting: account manager, marketeer, promotor or motivator.

You have the talent to become an artist or social worker. You may be good at diagnosing and alerting what is happening below the surface, beyond the here and now. You are good at solitary work.

You are a change agent and good at seizing the moment. You are suited to work with electronics and in diagnostic jobs.

YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH

Allow more emotionality and involvement, it will not lessen your sense of responsibility or authority but will only deepen it.

Get to know yourself, and your relations with others will prosper. Accept that the perfect other does not exist.

YOUR RESULTS

You may frequently change your goals in life. You go with the flow when setting and fluidly adjusting your goals in life. You rely heavily on your intuition. Your destination lies in guiding and being guided by universal, timeless principles. Your destination is determined by your fundamental ability to (re)focus on timeless principles and/or to work in a secluded environment. You may also have a sense for 'the next big thing' before it has materialized, or have a connection to society's collective subconscious in general. Social harmony is essential to you. You are cut out to be in government or civil service. You may operate in situations and settings which bear far-reaching impact. Your considerable intellect is used as a defense mechanism on behalf of your equally high sensitivity. You are a sharp observer and researcher. You can detect and characterize what is actually going on.

YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Social** stage between the earlier Individualist and later Governance stage. In the Social stage, the ego meets the world outside.

More specifically, yours is the **Action** phase . You have a decisive, can-do, dynamic personality full of energetic expression. You may succeed in finally disentangling matters from the past and pushing forward. You know about disintegration and new growth, of failing forward, in other words of taking risks in artistic or entrepreneurial endeavours.

Within this phase, you have the position of **Prophet**. In this first stage of the social type, your intellect is put to use in social life, or to influence the public. You act as a preacher and keeper of the meaning. Since the outside world perspective is still in its infancy, you probably shuttle between public exposure and periods of isolation. Famous persons with this Prophet position are: Alan Turing, James Boswell, John Lennon, Stanley Kubrick, Jordan Peterson, Julian Assange, Martin Scorsese, Nelson Mandela.

YOUR ABILITY TO HELP OTHERS

You have a talent to help others endure deep crisis and transformation. You may help people with sexual problems or other issues involving deeper human drives and desires.
