YOUR GENERAL PROFESSIONAL TYPE

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You have a cooperative nature. You take care of people and things. You are a traditionalist and good at conservating. You should keep your sensitivity in check and should learn to let go. You may need other, practical and down-to-earth people to make sure that your talents and efforts actually bear fruit. Your ego manifests itself directly in everything you do. You can be initiator, presenter or actor. Routine work is less suitable for you.

You are a **Transformer**. You have great stamina. You are good in matters of life and death, in crisis management and in deep drilling research. You are uncompromizing in your thinking, though possibly too much format-driven. Once you decide to act, you do so without detour.

YOUR CORE SELF / PRIMARY ASPECTS

You are an **Investigator**, good at deep drilling (material or immaterial). You can be a trouble-shooter or crisis-manager. You may work for bigger organizations or important matters, but tend to solitary work.

You have great oversight and are a good organizer. You tend to be a bit of an outsider because of your values.

YOUR CORE SELF / ADDITIONAL ASPECTS

You may well be a self-made man or woman. You are decisive and combative. You are open to taking risks. Learn to think before you act.

You are a good learner and also able to share your acquired knowledge with others. You speak without effort and talk a lot, sometimes maybe a bit too much. Take care that you process information in a discriminating manner.

You are courageous and can motivate others well. You have a strong drive. You are 'a good sport' by nature and possibly into sports as well. You may bring the invisible to light. You are not good at truly listening to what other people have to say. Being tactful is something that does not come naturally to you.

You have an interest in current matters, foreign affairs, politics and religious or philosophical questions. You are a good observer and strategist.

YOUR CORE TALENTS / GENERAL

You have a strong loyalty towards concepts and models, while you are generally more flexible in your relations. You are direct and unreflecting in your actions. You personify newly emerging social and cultural developments which have been stewing in society's collective subconscious. You have lots of pride. You should learn to deal with your thirst for power.

YOUR CORE TALENTS / DOING

You are energetic and pro-active. Rather than losing yourself in theorizing, you are good at learning by doing. You are an excellent trainer or coach, but also fit for the military, the world of sports or other occupations that involve physical effort and do not involve too much desk work.

Your professional life is or should be full of competition and dynamic change. You may be suited for the medical profession.

YOUR CORE TALENTS / THINKING

You are a skilled communicator and have a talent for a job as speaker or teacher. You have a deep curiosity. You may be an intermediary and organizer of talents and assets held by others.

SOME STRENGTHS...AND CHALLENGES

You have lots of energy, are resilient and able to regenerate well. Your challenge is to mature and to genuinely evolve from childhood to adulthood.

You should acknowledge your interest in the cycle of life and death of all living matter.

You are good at training people for communication and operational skills. It's a great way to overcome your own insecurity in the area.

You should develop the courage to expose yourself to others and to avoid staying in an ivory tower. You work subjected to clear regulations that you may want to loosen at some point.

You are a great coach or creative therapist. This is a great way to overcome your own fear of expressing yourself.

YOUR WAY OF ASSET BUILDING

Your income may vary and / or may come from various sources.

You have a certain impulsiveness in money matters.

You have a broad view, great expectations and some naivety as to making money and how society could be ordered. You may speculate. You can make money through inheritances, insurance, receivership, royalties or asset management for others. You are not integrated in the established order, but have an outsider tendency. You should develop self-esteem while building your wealth - or, even better, while growing indifferent to it.

YOUR TYPE OF WORKING LIFE

You are ambitious, have well-defined targets and like to take initiative in the workplace. You have a strong need to feel passionate about your work.

You are suitable for newly created positions. You may be a sports pro. You can do engineering or repair. Other options include cold canvas selling, political debating, troubleshooting or other jobs where you have to rely on your quick response or quick wit. You could do well as a criminal prosecutor or attorney, in the police or in the army.

You bring a strong personal presence on the job. Personal growth in your work is essential to you. You favor people's business such as services.

YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH

Dare to convert models and formats you have in your mind into tangible assets, beautiful things and concrete peer recognition. That way, your talent for abstract thinking may be stimulated even further.

Getting to know others will make you see yourself in a new light too.

YOUR RESULTS

You find your goal in life slowly but surely. Taking initiative is essential to you. Your credo is "Just do it!".

Your destination is in finding enlightenment and doing things which offer a chance to proudly express yourself.

Your ultimate destination is determined by your fundamental personal self-sufficiency and autonomy, independent from the world outside.

Your leadership has a spiritual, suggestive quality.

You have a strong urge to be independent in your actions.

YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Social** stage between the earlier Individualist and later Governance stage. In the Social stage, the ego meets the world outside.

More specifically, yours is the **Action** phase . You have a decisive, can-do, dynamic personality full of energetic expression. You may succeed in finally disentangling matters from the past and pushing forward. You know about disintegration and new growth, of failing forward, in other words of taking risks in artistic or entrepreneurial endeavours.

Within this phase, you have the position of **Pathfinder**. You have a strong vocational instinct. You have a mission to accomplish and plenty of courage to do so. Famous persons with this Pathfinder position are: Boris Johnson, Charles de Gaulle, Mark Twain, Elizabeth II, Queen of England, Martin Luther.

YOUR ABILITY TO HELP OTHERS

You have a talent to help other people with (public) relationship issues: as a mediator, diplomat or public relations advisor.
