## YOUR GENERAL PROFESSIONAL TYPE

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You are a "farmer", working towards concrete material results, possibly reaping what others have sown. Acknowledge that you may need others for inspiration and ideas. You are involved in non-subjective, important matters of a timeless, principled nature. Your ego is subservient to that. You can be initiator, presenter or actor. Routine work is less suitable for you.

You are a **Legislator**. You set standards and rules, or see to it that they are complied with. You have representational, diplomatic ability. You are good at keeping of the meaning.

## YOUR CORE SELF / PRIMARY ASPECTS

You are a typical **Builder**, dedicated to growth. You are good at quality management. You are design-conscious. You prefer to develop things (and yourself) slowly but steadily.

Within a group or layer of society, you set out to be as independent as possible by accumulating assets or launching disruptive ideas.

## YOUR CORE SELF / ADDITIONAL ASPECTS

You are a good strategist or politician. You learn a lot through meeting and partnering with others. You have a talent for publishing, for performing in public and possibly for painting, drawing or design.

## YOUR CORE TALENTS / GENERAL

You want to bring order and regulation into all kinds of matters and things and you go about it with great seriousness. You have the profile of a proprietor. You are a perfectionist, continuously striving for personal growth.

## **YOUR CORE TALENTS / DOING**

You can be a good District Attorney, litigator, or key relationship manager. You shuttle between chaos and order, the end and new beginnings which seem to emerge out of nothing. You have a latent aggression waiting to be put to use.

## **YOUR CORE TALENTS / THINKING**

You have a talent for writing and performing. You are good at staying up to date with current affairs. You are at your best in informal partnerships. You execute plans and projects in a well-coordinated way. You are good at selling.

## **SOME STRENGTHS...AND CHALLENGES**

You are undisturbed by social boundaries and may find yourself in situations where systems and orders are disrupted.

You are a great coach or creative therapist. This is a great way to overcome your own fear of expressing yourself.

You are able to merge highly different forces into one coherent effort. Your thinking is model-and format-based. You are good at editing images.

You are a good turnaround manager. This is a great profession for you to help you cope with your reluctance to deal with power matters and power abuse.

You should rise beyond aiming for social acceptance and should value truth and honesty more than anything else. Then, you may well be able to pull completely new things ashore and disrupt the status quo.

You have lots of energy, are resilient and able to regenerate well. Your challenge is to mature and to genuinely evolve from childhood to adulthood.

## YOUR WAY OF ASSET BUILDING

Your income may vary and / or may come from various sources.

Next to monetary remuneration, immaterial compensation is of high importance to you as well. You are into trading, selling and operational activities. Value can be created for you with the help of social networks. You are not integrated in the established order, but have an outsider tendency. You should develop self-esteem while building your wealth - or, even better, while growing indifferent to it.

## YOUR TYPE OF WORKING LIFE

Routine and procedures are important to you. You have a strong need to feel passionate about your work. You are good at supervising people and processes.

Generally, you work for fame or at least to contribute to matters of a higher order. You are bound to assume high office and have top manager capability. You are also fit for HR management. Alternatively, the medical profession could suit you.

## YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH

Suspend your grand vision and stay curious, keep an open mind as to other people's ideas, you may well synthesize them into a new and refined big picture.

Get to know yourself, and your relations with others will prosper. Accept that the perfect other does not exist.

## YOUR RESULTS

You are goal-oriented and operationally strong. You work toward your goals in a rational and persistent manner. Your destination is to elevate knowledge, individuals or communities to higher standards. Your ultimate destination is determined by your fundamental ability to operate in the establishment, capturing and securing value, and recognizing the importance of money and other tangible resources and assets.

You are at home in mass gatherings of people. You are good at detecting the flavour of the day and capitalizing on it. You have managerial talent. You may become 'public property' or at least get 'fifteen minutes of fame'.

Your calling is to support others in their career, possibly helping the disadvantaged. You may be involved with honourable charities.

## YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Individualist** stage, as opposed to the later Social and Governance stages. In the Individualist stage, the ego and its drive are predominant.

More specifically, yours is the **New Emergence** phase. Your focus is on dreams and ideals and you have a pioneering impulsiveness.

Within this phase, you have the position of **Unbridled Pioneer**.

You have an innate, elementary, unchecked enthusiasm. You possess strong willpower and you launch yourself into the world in a direct way, without precedent or much reflection.

Famous persons with this Unbridled Pioneer position: Victoria, Queen of England, Florence Nightingale, Cary Grant, Dwight Eisenhower, Greta Thunberg.

## YOUR ABILITY TO HELP OTHERS

You have a talent to support others in finding their position in society.
