## **YOUR GENERAL PROFESSIONAL TYPE**

You have a balanced self, making you suitable for various types of work. They range from entrepreneurial to operational management, support staff and consulting. You are suited to work both in teams and on your own. You have a cooperative nature. You take care of people and things. You are a traditionalist and good at conservating. You should keep your sensitivity in check and should learn to let go. You show who you are by what you create or produce.

To you, work has a meaning in itself. It is also a way for you to contribute something meaningful to society, rather than pursuing personal interests. Money or status are of little or no importance to you.

You are a **Dynamo**. Full of energy, you need challenges, to which you react swiftly. You may be good at precision work that must be carried out at once. You are suited for the military, for surgical work or for other work requiring immediate, concrete action.

## **YOUR CORE SELF / PRIMARY ASPECTS**

You are an **Analyst**. You are good at diagnostics, highly efficient and good at operational improvement. You have talent for complex retail operations, processes and logistics. You are also interested in legal matters. You are understated in your appearance. You tend to mentally position people in specific compartments and should beware of playing people off against each other.

You have a sensitive inner self and are a strong rationalist when dealing with the outside world.

## **YOUR CORE SELF / ADDITIONAL ASPECTS**

You are a good strategist or politician. You learn a lot through meeting and partnering with others. You have a talent for publishing, for performing in public and possibly for painting, drawing or design.

## **YOUR CORE TALENTS / GENERAL**

You have strong and fixed ideas which you bring to society's attention for approval.

You are a guiding force behind the screen. You have the talent to be a trainer or coach. You may hold power of attorney, or engage in investigations. Research & Development is another suitable discipline for you.

Yours is a world of secret or past adventure.

## **YOUR CORE TALENTS / DOING**

You have a good deal of risk appetite. You are good at sports, leisure and entertainment. You can be "warrior" for something. You have acting talent.

You may pioneer on behalf of ventures which materialize later. You practice sharp criticism and have an urge to get to the bottom of things.

## **YOUR CORE TALENTS / THINKING**

You are good at uncovering matters and bringing them to the public. You are a good listener and good at dialogue and partnerships. You are good at work involving the law, contracts or communication.

## **SOME STRENGTHS...AND CHALLENGES**

It is important for you to release your own soul, your own emotions - or you risk being limited by group pressure. Remember that giving birth means letting go.

You have a strong intuition. You should beware of deluding yourself or others.

You are a positive thinker; take care not to overdo things. You experience and / or exude hope, trust and great expectations. Beware of becoming caught in delusional fata morganas - and avoid creating them in the minds of others.

You tend to formality. You shuttle between conservatism and revolutionism. You have the talent to be a good legal professional. You have the courage to question societal abuse and taboos. You have a talent for the hospitality business and for intermediary, representational roles in general.

You can help others in the building and preservation of their assets. It's an excellent way to overcome your own fear of financial trouble.

You bring a strong vitality along with everything you do, provided you accept yourself.

## **YOUR WAY OF ASSET BUILDING**

Creating and preserving wealth, material results and/or group recognition is key for you.

Next to monetary remuneration, immaterial compensation is of high importance to you as well.

You are at home in luxury businesses, arts and crafts businesses, in partnerships and alliances. You may also want to consider the legal profession.

Money is spent on or invested in health, wellness, security and sustainability.

## **YOUR TYPE OF WORKING LIFE**

Routine and procedures are important to you. You are idea-driven and good at learning on-the-job.

You are good at short bursts of super concentration. This can be valuable in many different jobs: as a pilot or surgeon, as a journalist, in the movie industry, in the kitchen or as an inventor.

You may prefer to work on public matters or current affairs. You are a good relation manager or consultant. You are suited to be a legal professional or diplomat.

You prefer a familiar, personalized and comfortable working environment.

You tend to group work and assume responsibility for its effectiveness.

## **YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH**

Allow more emotionality and involvement, it will not lessen your sense of responsibility or authority but will only deepen it.

The secure home base should not be an end in itself but a support to make your mark in society.

## YOUR RESULTS

You may frequently change your goals in life. You are highly flexible and adaptive in your goal-setting. Your goals may be greatly mental and spiritual.

Your destination is in learning, communicating and connecting and in finding agreements.

Your destination is determined by your fundamental ability to influence public consciousness and to engage in effective partnering.

You may well be entrusted with political assignments. Your assignments may contain a certain exile or isolation for the greater good.

You have a neutral and formal way of dealing with the outside world, and plenty of interest in current and social affairs. It may be hard at times to find the right direction.

## YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Governance** stage, which is after the Social stage and before the cycle starts again with the Individualist stage. In the Governance stage, the focus in life is on general standards and values rather than on one's own individuality or on specific groups.

More specifically, yours is the **Release** phase. In this phase, you are steered by obligations to future generations, and subsequently return to your deepest, most fundamentally individual origin. You are freeing yourself from limiting subjective interests in the mundane world.

Within this phase, you have the position of **Pacifier**. You understand the finite nature of individual existence. Your goal is to transfer all of your acquired wisdom, know-how and ideas to future generations. Famous persons with this Pacifier position are Georges Braque, Johann Sebastian Bach, Ludwig Wittgenstein, Gerard Depardieu, Ernst Kirchner, David Lloyd-George.

## **YOUR ABILITY TO HELP OTHERS**

You have a talent to help others endure deep crisis and transformation. You may help people with sexual problems or other issues involving deeper human drives and desires.
