YOUR GENERAL PROFESSIONAL TYPE

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You are empathic, sociable and warm. You get along with people well.

Your ego manifests itself directly in everything you do. It is important for you to find out to what extent your actions may be steered by an imprint from past generations. What do you really want yourself, here and now?

You can be initiator, presenter or actor. Routine work is less suitable for you.

You are a **Universalist**. You have a connection to the collective unconscious. You operate in a subtle, discrete manner. You may exert considerable indirect influence, while keeping your distance. You have a metaphysical and/or religious connection.

YOUR CORE SELF / PRIMARY ASPECTS

You are a **Visionary** and a typical generalist rather than specialist. You are an idealist and your view is "live and let live". You are a good communicator. You are suited for work in export or dealing with globalization in a broader way. You may give other people hope.

Dynamic expansion is your middle name. You consider the present as less important than the future. You may invite dissent or debate in the outside world.

YOUR CORE SELF / ADDITIONAL ASPECTS

You are a slow starter and a slow but steady adapter. You can be a healer for other people.

To be able to express your personal self is important to you. You may be good at creative work. You may be good at sports.

YOUR CORE TALENTS / GENERAL

Your considerable intellect is used as a defense mechanism on behalf of your equally high sensitivity. You are a sharp observer and researcher. You can detect and characterize what is actually going on.

You are suitable to present and represent other people and organizations. You are good at formulating, demonstrating and presenting. You have a talent for being a moderator, orchestrator or information processor.

You are forthwith in matters of life and death. When dealing with matters, you are proud to leave no stone unturned.

YOUR CORE TALENTS / DOING

You have a desire to take root, but a tendency to change scenes or even revolt as well. Beware: you may be your own worst enemy.

You have strong feelings towards what you consider to be your tribe and you will defend it no matter what. There could be the occasional row in your inner circle.

YOUR CORE TALENTS / THINKING

You are always hungry for knowledge. This may work out well in various jobs: as a journalist, a librarian, or in a position applying the law. Work is essential for you. You learn from experience. You work well with your hands. You communicate well.

SOME STRENGTHS...AND CHALLENGES

You tend to take on the establishment. You should not take force majeure personally. Neither should you look for conflict without need.

You are a good personal trainer, advocate, lawyer, mediator or judge. This is a very constructive way to deal with your innate sensitivity to ideals and to what is fair.

You bring a strong vitality along with everything you do, provided you accept yourself. You might experience a struggle between a desire for freedom and independence and the need to take care of mundane, day-to-day matters. You have a strong intuition. You should beware of deluding yourself or others.

YOUR WAY OF ASSET BUILDING

You carry on relentlessly for wealth creation and material security. Next to monetary remuneration, immaterial compensation is of high importance to you as well. You are constantly on the outlook for new deals and cooperations. You are into experimenting with new revenue models. Partnerships, cooperation and public matters are instrumental for you to make money.

YOUR TYPE OF WORKING LIFE

You are highly adaptive at the workplace, but you have limited patience and you need lots of variety. You are idea-driven and good at learning on-the-job.

Your work involves a good deal of speaking and writing. You may be active in trade, transport, telecom or the press.

You are fit for fact-based journalism or for representative jobs. Likewise for traffic control or other coordination. You are good at the helm or the steering wheel. You are fit for temporary assignments.

YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH

Recognize the talents of others and synergies of teams to let your own talents flourish.

Acknowledging what you like to own or keep makes it easier to depart from stuff or status you don't want or need.

YOUR RESULTS

You are goal-oriented and operationally strong. You are highly flexible and adaptive in your goal-setting. Your goals may be greatly mental and spiritual. Your destination is in harmonizing and bridging gaps between people, parties and interests. Your destination is determined by your fundamental ability to create new life; by acknowledging your heritage and family focus; by possibly exploiting your real estate talent. You are cut out to be in government or civil service. You may operate in situations and settings which bear far-reaching impact.

Your leadership has a spiritual, suggestive quality.

You strive for balance, arrangement and harmony in everything you do.

YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Individualist** stage, as opposed to the later Social and Governance stages. In the Individualist stage, the ego and its drive are predominant.

More specifically, yours is the **New Emergence** phase. Your focus is on dreams and ideals and you have a pioneering impulsiveness.

Within this phase, you have the position of **Unbridled Pioneer**.

You have an innate, elementary, unchecked enthusiasm. You possess strong willpower and you launch yourself into the world in a direct way, without precedent or much reflection.

Famous persons with this Unbridled Pioneer position: Victoria, Queen of England, Florence Nightingale, Cary Grant, Dwight Eisenhower, Greta Thunberg.

YOUR ABILITY TO HELP OTHERS

You have a talent to help others in their ego development and in improving their appearance.
