YOUR GENERAL PROFESSIONAL TYPE

You have a balanced self, making you suitable for various types of work. They range from entrepreneurial to operational management, support staff and consulting. You are suited to work both in teams and on your own. You tend to solism. You can energize yourself as a self-starter. Make sure you keep your egoism in check and your feet on the ground. Your ego manifests itself directly in everything you do. You are at home in the public space, in dialogue, on stage and in partnering. You have a balanced set of purposes. Work is a means to reach personal fulfilment for its own sake, but you also aim to create personal wealth and to contribute something meaningful to society.

You are a **Dynamo**. Full of energy, you need challenges, to which you react swiftly. You may be good at precision work that must be carried out at once. You are suited for the military, for surgical work or for other work requiring immediate, concrete action.

YOUR CORE SELF / PRIMARY ASPECTS

You are a **Leader** by nature. You are energizing, stand for something, and have the personality of a figurehead. You may be a bit inflexible in your views. Avoid being too smug about yourself.

You have a strong urge to be independent in your actions.

YOUR CORE SELF / ADDITIONAL ASPECTS

You may have a calling to serve humanity. You have the talent to be a change agent. You may come across as fascinating, unpredictable, or both. You strive for a leadership position. You may obtain decisive influence or even fame in a smaller or wider circle.

YOUR CORE TALENTS / GENERAL

You have strong and fixed ideas which you bring to society's attention for approval. Expansion is your middle name.

You have leadership potential.

YOUR CORE TALENTS / DOING

You can be an effective crisis manager and troubleshooter. You also have the talent to be a movie director. You can also be a successful marketer.

You tend to challenge any established order.

YOUR CORE TALENTS / THINKING

You have a talent for writing and are good at describing new ideas and concepts. You occupy yourself with ethical questions, belief systems, foreign matters or foreign cultures. You can detect and report new social trends. You may represent or manage social groups and networks.

SOME STRENGTHS...AND CHALLENGES

You are able to merge highly different forces into one coherent effort. Your thinking is model- and format-based. You are good at editing images.

You are thorough and may succeed in climbing the conventional social ladder of success. You are good at wealth preservation. You should rise beyond aiming for social acceptance and should value truth and honesty more than anything else. Then, you may well be able to pull completely new things ashore and disrupt the status quo. You should overcome feelings of desertion, in order to get your own life. You have a knack for aesthetics and fine arts. You need to work at synthesizing your own visions with the ones held by the outside world. New ideas may emerge as a result. You should have the opportunity to frankly speak your mind at work.

YOUR WAY OF ASSET BUILDING

You carry on relentlessly for wealth creation and material security.

You have a certain impulsiveness in money matters.

You want to build your personal empire and lead a regal life, which others may benefit from as well, provided they pay tribute to you.

Money primarily serves to reinforce your authority and to get you up the ladder of success. You either fully immerse yourself in mass movements or you avoid them completely - you know no middle ground. You may experience pressure from clans and cults or tend to grow them yourself.

YOUR TYPE OF WORKING LIFE

You are ambitious, have well-defined targets and like to take initiative in the workplace. You are practical and well-organized. You are most effective in a conventional working environment. You reject changeability. You have supervisory and instructing talent. You are a perfectionist and good at precision work. You are cut out to be plaintiff or district attorney.
