YOUR GENERAL PROFESSIONAL TYPE

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You are a "farmer", working towards concrete material results, possibly reaping what others have sown. Acknowledge that you may need others for inspiration and ideas. You may need the push from other, enthusiastic people to become driven enough to act yourself. You are involved in non-subjective, important matters of a timeless, principled nature. Your ego is subservient to that.

To you, work has a meaning in itself. It is also a way for you to contribute something meaningful to society, rather than pursuing personal interests. Money or status are of little or no importance to you.

You are a **Messenger**. You have versatile interests and need freedom of movement. You have a calculating mind. You can be a speaker or journalist. You can be a representative or agent. You can also be a teacher or trainer.

YOUR CORE SELF / PRIMARY ASPECTS

You are an **Analyst**. You are good at diagnostics, highly efficient and good at operational improvement. You have talent for complex retail operations, processes and logistics. You are also interested in legal matters. You are understated in your appearance. You tend to mentally position people in specific compartments and should beware of playing people off against each other.

You have a considerable sensibility and you tend to develop models which provide a certain order in life or arts. You may act in an overly formal manner and have a hidden revolutionary streak.

YOUR CORE SELF / ADDITIONAL ASPECTS

You have a friendly nature. You are caring and receptive, possibly a bit naive or impressionable.

You have an interest in current matters, foreign affairs, politics and religious or philosophical questions. You are a good observer and strategist.

YOUR CORE TALENTS / GENERAL

You take a neutral and intermediary position in many things, which makes you fit for journalism and mediation. Yours is a world of secret or past adventure.

YOUR CORE TALENTS / DOING

You have great spiritual interest. You can be an historian, film editor, legal professional or politician. You may well be a global traveller. You may pioneer on behalf of ventures which materialize later. You practice sharp criticism and have an urge to get to the bottom of things.

YOUR CORE TALENTS / THINKING

You have a talent for writing and are good at describing new ideas and concepts. You occupy yourself with ethical questions, belief systems, foreign matters or foreign cultures. You are good at work involving the law, contracts or communication.

SOME STRENGTHS...AND CHALLENGES

You need to work at synthesizing your own visions with the ones held by the outside world. New ideas may emerge as a result.

You may successfully break away from limiting situations quite drastically and suddenly. Your world view may change abruptly; so may your social standing. The price you pay is estrangement from previous beliefs and / or peers.

Out of decay new and unexpected options may appear out of the blue for you. You have a talent for social innovation. You may work on new, revolutionary social structures. You have the ability to pair intuition with intellect.

You are a good turnaround manager. This is a great profession for you to help you cope with your reluctance to deal with power matters and power abuse.

YOUR WAY OF ASSET BUILDING

Creating and preserving wealth, material results and/or group recognition is key for you.

Next to monetary remuneration, immaterial compensation is of high importance to you as well.

You are at home in luxury businesses, arts and crafts businesses, in partnerships and alliances. You may also want to consider the legal profession.

Money primarily serves to reinforce your authority and to get you up the ladder of success.

YOUR TYPE OF WORKING LIFE

Routine and procedures are important to you. You are idea-driven and good at learning on-the-job.

You are good at short bursts of super concentration. This can be valuable in many different jobs: as a pilot or surgeon, as a journalist, in the movie industry, in the kitchen or as an inventor.

You may work in the health sector, but also in the arts. You are suited to work with electronics and in diagnostic jobs.

YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH

Accept superpersonal, mundane responsibilities to sustain your intimate sphere.

A good and suitable team or peer group will only like you better if you stand your own ground and dare to express your unique self.

YOUR RESULTS

You may frequently change your goals in life. You are highly flexible and adaptive in your goal-setting. Your goals may be greatly mental and spiritual.

Your destination is in learning, communicating and connecting and in finding agreements.

Your destination is determined by your fundamental ability to develop philosophies and visions which will bear fruit (much) later.

Social harmony is essential to you.

You may well be entrusted with political assignments. Your assignments may contain a certain exile or isolation for the greater good.

YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Individualist** stage, as opposed to the later Social and Governance stages. In the Individualist stage, the ego and its drive are predominant.

More specifically, yours is the **Action** phase . You have a decisive, can-do, dynamic personality full of energetic expression. You may succeed in finally disentangling matters from the past and pushing forward. You know about disintegration and new growth, of failing forward, in other words of taking risks in artistic or entrepreneurial endeavours.

Within this phase, you have the position of **Entrepreneur**. In this last stage of the Individualist type, you convert your own ideas and experiences into value and use for others. You clearly bring your own personality along as part of the package. As a consequence, you should accept that if you try to please everybody, you'll end up pleasing nobody. Famous persons with this Entrepreneur position are: George W. Bush, Roger Federer, Gustav Stresemann, John F. Kennedy.

YOUR ABILITY TO HELP OTHERS

You have a talent to help other people with (public) relationship issues: as a mediator, diplomat or public relations advisor.
