YOUR GENERAL PROFESSIONAL TYPE

You have a balanced self, making you suitable for various types of work. They range from entrepreneurial to operational management, support staff and consulting. You are suited to work both in teams and on your own. You have a learning and observing nature. Don't forget to walk the talk and to keep a minimum of practicality.

You show who you are by what you create or produce. You are highly immune to influences from the world outside. Being social is of only limited importance to you.

You are an **Intermediary**. You are reactive rather than active. You counterbalance extremes and strive for harmony at all times. You are a good teamworker. You have a feeling for aesthetics. You are a good strategist and play by plan.

YOUR CORE SELF / PRIMARY ASPECTS

You are a **Connector**. You have a highly curious mindset. You are good at inquiring, interviewing, uncovering and reporting. You are a good communicator and fit for trade, the press and applied sciences in general.

You have a neutral and formal way of dealing with the outside world, and plenty of interest in current and social affairs.

YOUR CORE SELF / ADDITIONAL ASPECTS

You are a slow starter and a slow but steady adapter. You can be a healer for other people.

To be able to express your personal self is important to you. You may be good at creative work. You may be good at sports.

YOUR CORE TALENTS / GENERAL

You are liberal, compromising and connective. You may react sharply if your sense of harmony is disturbed. You may have flashes of brilliance.

You have a vital nature. You are a creative, stimulating personality. Self-expression comes naturally to you. You are playful and entrepreneurial. You are a charismatic communicator. You can be dominating, brutally honest but charming.

YOUR CORE TALENTS / DOING

You have a desire to take root, but a tendency to change scenes or even revolt as well. Beware: you may be your own worst enemy.

You have good conceptual, developmental and innovative skills.

YOUR CORE TALENTS / THINKING

You are able to create worlds of experience. You have writing and speaking talent. You are able to produce daring concepts. You are an active communicator. You are curious, quick and pragmatic. Your span of attention is limited. Tasks and projects should be short-cycled.

SOME STRENGTHS...AND CHALLENGES

It is important for you to release your own soul, your own emotions - or you risk being limited by group pressure. Remember that giving birth means letting go.

You will recognize that too much conformism will get you nowhere. You may sooner or later rise (again) as a Phoenix from the ashes. You are restless by nature and may look for a hectic environment to act out this trait. People may find you unpredictable.

You are good at training people for communication and operational skills. It's a great way to overcome your own insecurity in the area.

You tend to take on the establishment. You should not take force majeure personally. Neither should you look for conflict without need.

You have a talent for fashion and all the insecurities that come with it. You are sensitive and have a holistic, intuitive take on things. You may be able to create synergy between the world of dreams and reality, as long as you can distinguish facts from fiction. Avoid misleading yourself or others, possibly without intent.

YOUR WAY OF ASSET BUILDING

Creating and preserving wealth, material results and/or group recognition is key for you.

Your income and wealth may wax and wane. You have a conservative approach to investing. You are apt to attend to family business or real estate. Money is made behind the screen, by going along with the Zeitgeist.

YOUR TYPE OF WORKING LIFE

Routine and procedures are important to you. You rely on your gut-feeling when dealing with situations. You are sensitive to your working environment.

You favour mindwork, tend to work from a solitary position and like to do deep drilling. You have a talent for fundamental research. You may be active in psychoanalysis or missionary work. You may also do corporate restructuring and generally act as troubleshooter.

You have the talent to become an artist or social worker. You may be good at diagnosing and alerting what is happening below the surface, beyond the here and now. You are good at solitary work.

YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH

Get out of your ivory tower of abstract thinking and start engaging yourself personally for your ideas, they will become more convincing and you'll feel on a roll.

Dealing with everyday reality and current matters may ultimately lead you to new over-arching visions.

YOUR RESULTS

You find your goal in life slowly but surely. You are highly flexible and adaptive in your goal-setting. Your goals may be greatly mental and spiritual. Your destination is in searching originality and truth regardless of actual standards. Your destination is determined by your fundamental ability to act out the joy of creativity, self-expression and/or sportsmanship.

You are a liberal at heart who is good at creating coherent concepts and models. You may acquire considerable public recognition.

YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Governance** stage, which is after the Social stage and before the cycle starts again with the Individualist stage. In the Governance stage, the focus in life is on general standards and values rather than on one's own individuality or on specific groups.

More specifically, yours is the **Demonstration** phase. This phase stands for spreading the word. You have a strong missionary zeal.

Within this phase, you have the position of **Ideologist**. At this first stage of the Governance type, you have an interest in and connection with past generations. You have a spiritual, philosophizing inclination. You achieve bonding with other people through the cherishing of cultural heritage, which you convert into contemporary shape and clear (role) models. Famous persons with this Ideologist position are Diana Spencer, Vladimir Putin, Thomas Jefferson and Andy Warhol.

YOUR ABILITY TO HELP OTHERS

You have a talent to help others in their ego development and in improving their appearance.
