## YOUR GENERAL PROFESSIONAL TYPE

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You have a cooperative nature. You take care of people and things. You are a traditionalist and good at conservating. You should keep your sensitivity in check and should learn to let go. You may lack objectivity and perspective. Others with a more distant way of looking at things may help you out there. Your ego manifests itself directly in everything you do. You can be initiator, presenter or actor. Routine work is less suitable for you.

You are a **Transformer**. You have great stamina. You are good in matters of life and death, in crisis management and in deep drilling research. You are uncompromizing in your thinking, though possibly too much format-driven. Once you decide to act, you do so without detour.

## YOUR CORE SELF / PRIMARY ASPECTS

You are an **Official**, good at setting and maintaining standards. You have a high level of persistence and endurance. You appreciate hierarchies and you are suited for governmental work.

You want to bring order and regulation into all kinds of matters and things and you go about it with great seriousness.

## YOUR CORE SELF / ADDITIONAL ASPECTS

You are broadminded and helpful. You have diplomatic skills and are generally well-liked. You create high expectations in other people.

You have a charismatic personality and tend to focus on few but deep working relationships. You strive for a leadership position. You may obtain decisive influence or even fame in a smaller or wider circle.

## **YOUR CORE TALENTS / GENERAL**

You are a strong model- and format-driven thinker, looking for clear missions to accomplish. You are suitable to be a historian, futurist or psychologist. You may work in a religious function or as a cultural anthropologist. Travelling (physical or in the mind) becomes you. You are engaged in public matters and the common good. You are entering the stage as a pioneer and hunter. You look for playful, lively partnerships and for friends in high places.

## **YOUR CORE TALENTS / DOING**

You are at home in a competitive, possibly even revolutionary environment. You are suited for the military, or for other commanding positions where it's clear that you are calling the shots. You have a quick mind, are impatient and tend to lead and dominate conversations.

## **YOUR CORE TALENTS / THINKING**

You have a talent for writing and performing. You are good at staying up to date with current affairs. You are at your best in informal partnerships. You have a rich, creative mind and a talent for the writing professions.

## **SOME STRENGTHS...AND CHALLENGES**

You have the ability to regenerate and start completely anew time and again.

You are good at representational and social support work. You are a gatekeeper of value. You should avoid being subjected to excessive social or peer pressure.

You have lots of energy, are resilient and able to regenerate well. Your challenge is to mature and to genuinely evolve from childhood to adulthood.

You should acknowledge your interest in the cycle of life and death of all living matter. You can create and implement breakthroughs with your work, but take care not to overdo it. You may buy impulsively and spend too easily.

You can be seductive. You should avoid useless competing and bragging to mask your insecurity.

You should develop the courage to expose yourself to others and to avoid staying in an ivory tower. You are able to find regeneration through deep introspection and opening up to the subconscious.

## **YOUR WAY OF ASSET BUILDING**

Your income may vary and / or may come from various sources.

Your income and wealth may wax and wane. You have a diffuse attitude towards income, money and property. Your assets may to a large extent be intangible and the value may therefore be hard to capture at times. You undertake great efforts to make money.

You have an antenna for the contemporary popular taste. The community might be quite eager to acquire your products. You are socially well integrated and risk-averse.

Material things, status and prestige are or should be irrelevant to you (which is not to say you could not acquire them). Your wealth position can be rags or riches, or may fluctuate between these two extremes during life. Riches are best shared with others.

Material things, status and prestige are matters which trigger a clear sensitivity or even vulnerability in you, possibly caused by earlier hurtful experiences in these departments while growing up. You should overcome a tendency to make your self-esteem overly dependent on these factors.

## **YOUR TYPE OF WORKING LIFE**

You are highly adaptive at the workplace, but you have limited patience and you need lots of variety. You are idea-driven and good at learning on-the-job.

Your work involves a good deal of speaking and writing. You may be active in trade, transport, telecom or the press.

You match with non-profit organizations and with the creative industries. You are fit to be an image builder or public affairs professional. Alternatively, you are also cut out to be a public service employee or lawyer.

## **YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH**

Do not escape from reality but embrace it, you will feel in touch with the universe only more.

Dare to let go and grow beyond defensive materialism and conformism which may keep you small.

## **YOUR RESULTS**

You find your goal in life slowly but surely. You go with the flow when setting and fluidly adjusting your goals in life. You rely heavily on your intuition. Your destination is to work in cycles of crisis and regeneration, of death and rebirth, of ending and new beginning. Your ultimate destination is determined by your fundamental ability to practically operate, reproduce and communicate. Social harmony is essential to you. You are cut out to become a soldier, surgeon or other alpha figure. You are cut out to be in government or civil service. You may operate in situations and settings which bear far-reaching impact. You have a strong loyalty towards concepts and models, while you are generally more flexible in your relations.

## **YOUR GENERAL ROLE IN SOCIETY**

Broadly, your position is in the **Social** stage between the earlier Individualist and later Governance stage. In the Social stage, the ego meets the world outside.

More specifically, yours is the **Action** phase . You have a decisive, can-do, dynamic personality full of energetic expression. You may succeed in finally disentangling matters from the past and pushing forward. You know about disintegration and new growth, of failing forward, in other words of taking risks in artistic or entrepreneurial endeavours.

Within this phase, you have the position of **Pathfinder**. You have a strong vocational instinct. You have a mission to accomplish and plenty of courage to do so. Famous persons with this Pathfinder position are: Boris Johnson, Charles de Gaulle, Mark Twain, Elizabeth II, Queen of England, Martin Luther.

## **YOUR ABILITY TO HELP OTHERS**

You have a talent to help others in the development of their physical wellbeing, their assets, their self-esteem and their status.
