## **YOUR GENERAL PROFESSIONAL TYPE**

You have a talent to analyze, associate, compare and connect. You are good at working with services and mass products. You are highly adaptive and can perform well in advisory and support staff functions. You have a learning and observing nature. Don't forget to walk the talk and to keep a minimum of practicality. You show who you are by what you create or produce. You are a knowledge worker, with the ability to become a well-respected specialist or craftsman. You are intrinsically motivated to do a job really well.

You are an **Intermediary**. You are reactive rather than active. You counterbalance extremes and strive for harmony at all times. You are a good teamworker. You have a feeling for aesthetics. You are a good strategist and play by plan.

## **YOUR CORE SELF / PRIMARY ASPECTS**

You are a typical **Builder**, dedicated to growth. You are good at quality management. You are design-conscious. You prefer to develop things (and yourself) slowly but steadily.

You are sceptical, security-driven and realistic. You may find yourself in outsider or intermediary positions.

## **YOUR CORE SELF / ADDITIONAL ASPECTS**

You are a slow starter and a slow but steady adapter. You can be a healer for other people.

You are a good strategist or politician. You learn a lot through meeting and partnering with others. You have a talent for publishing, for performing in public and possibly for painting, drawing or design.

## **YOUR CORE TALENTS / GENERAL**

You are a neutral observer and clear thinker. You strive for harmonious, well-arranged relationships. At the same time, you and your community may have a certain 'stateless' quality.

You are adaptive by nature. You have strong analytic skills. You are a good risk detector and fit for jobs that involve control. You have a paternal style. You are fond of children.

## **YOUR CORE TALENTS / DOING**

You have a good deal of risk appetite. You are good at sports, leisure and entertainment. You can be "warrior" for something. You have acting talent.

You shuttle between chaos and order, the end and new beginnings which seem to emerge out of nothing. You have a latent aggression waiting to be put to use.

## **YOUR CORE TALENTS / THINKING**

You are a strong logical thinker, good at (situational) analysis and able to work with sophisticated (measuring) instruments. You execute plans and projects in a well-coordinated way. You are good at selling.

## **SOME STRENGTHS...AND CHALLENGES**

You are good at pioneering work. You may have to create your own territory.

You can be seductive. You should avoid useless competing and bragging to mask your insecurity.

You have the ability to pair intuition with intellect.

You may have to deal with feeling rejected or abandoned, which ultimately leads you to get your own life.

## **YOUR WAY OF ASSET BUILDING**

Your income may vary and / or may come from various sources.

Next to monetary remuneration, immaterial compensation is of high importance to you as well. You are into trading, selling and operational activities. Money is spent on or invested in health, wellness, security and sustainability.

## **YOUR TYPE OF WORKING LIFE**

You are highly adaptive at the workplace, but you have limited patience and you need lots of variety. You are practical and well-organized. You are good at precision work and you have a good eye for detail. You may work in the health sector, but also in the arts. You have the ability to be a change manager. You are good at situational leadership, using a style that fits the actual circumstances well.

You prefer a familiar, personalized and comfortable working environment.

You are good at diagnostics and monitoring. You have a talent for working with complex dashboards and precision tools.

You are good in helpful, coaching, turnaround roles. Things may turn for the better and you tend to land on your feet.

You are good at resource utilization and risk management. Conditions may be or have been harsh at times. You may work too hard.

You are a good researcher and have a knack for quality control.

## **YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH**

Allow more emotionality and involvement, it will not lessen your sense of responsibility or authority but will only deepen it.

Come nearer to your roots, who you are and where you're from, and your worldly career will only prosper.

## YOUR RESULTS

You are goal-oriented and operationally strong. You work toward your goals in a rational and persistent manner. Your destination is to elevate knowledge, individuals or communities to higher standards.

Your destination is determined by your focus on prevention. You have a fundamental ability to support others, to put regulations to work or to occupy yourself with risk, safety, health and welfare matters.

You have a strong need for achievement and to put your mark on society.

## YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Individualist** stage, as opposed to the later Social and Governance stages. In the Individualist stage, the ego and its drive are predominant.

More specifically, yours is the **Release** phase. In this phase, you are steered by obligations to future generations, and subsequently return to your deepest, most fundamentally individual origin. You are freeing yourself from limiting subjective interests in the mundane world.

Within this phase, you have the position of **Prodigy**. You are on the floodline between the chaotic, timeless and infinite on one hand, where everything has been liquidated, and a brand new beginning on the other. At this first stage of the Individualist type, you bounce between deep, accumulated timeless wisdom and total innocence and naivety. This allows for plenty of surrealism and absurdism and ideas without precedent, which you are not afraid to personify. Famous persons with this Prodigy position are Niels Bohr, Karl Marx, Giorgio Armani.

## YOUR ABILITY TO HELP OTHERS

You have a talent to help others in their ego development and in improving their appearance.
