## **YOUR GENERAL PROFESSIONAL TYPE**

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You are especially suited for production, continuity and line management. You have a strong will. You are result-oriented, dedicated to the development of tangible or intellectual capital. You have a strong fantasy. You are cut out for therapeutical work. You may be working with the subconscious mind. Or you may work on new technologies and other potentially disruptive inventions. You are at home in the public space, in dialogue and in partnering. You are a knowledge worker, with the ability to become a well-respected specialist or craftsman. You are intrinsically motivated to do a job really well.

You are a **Grower** and **Builder**. You strive for security in and for a community, to which you tend to adapt. You are suited for real estate, agriculture, group work and social work. Also a good match are professions which involve the senses, for example the arts (singing, music) and other aesthetics. You may favour working with food and beverages or with other products and services which enhance the quality of life in a tangible way.

## **YOUR CORE SELF / PRIMARY ASPECTS**

You are an **Investigator**, good at deep drilling (material or immaterial). You can be a trouble-shooter or crisis-manager. You may work for bigger organizations or important matters, but tend to solitary work.

You favor working with clear models and formats. You look beyond personal interests and risks when putting them to work.

## **YOUR CORE SELF / ADDITIONAL ASPECTS**

You are very career-minded. You tend to work very hard to succeed. You should beware of workaholism.

## **YOUR CORE TALENTS / GENERAL**

Within a group or layer of society, you set out to be as independent as possible by accumulating assets or launching disruptive ideas. You are at home on stage and more broadly in the public area. You have a talent to record or play live performances. You have lots of pride. You should learn to deal with your thirst for power.

## **YOUR CORE TALENTS / DOING**

You are ambitious, enthusiastic and good at building a team or community. You are good at new relation development. You may be a trend spotter or creative researcher and developer. Your professional life is or should be full of competition and dynamic change. You may be suited for the medical profession.

## **YOUR CORE TALENTS / THINKING**

You are good at uncovering matters and bringing them to the public. You are a good listener and good at dialogue and partnerships. You have a deep curiosity. You may be an intermediary and organizer of talents and assets held by others.

## **SOME STRENGTHS...AND CHALLENGES**

You have the courage to question societal abuse and taboos.

You are a good turnaround manager. This is a great profession for you to help you cope with your reluctance to deal with power matters and power abuse.

You are very decisive and combative. You talk spontaneously and without much reflection. You are a sharp critic. You have a tendency to be on the road continuously. At times, you may find yourself struggling to get by.

You need to work at synthesizing your own visions with the ones held by the outside world. New ideas may emerge as a result. You are a good planner. You tend to take on the establishment. You should not take force majeure personally. Neither should you look for conflict without need. You have considerable can-do energy which you should carefully direct to well-chosen goals.

## **YOUR WAY OF ASSET BUILDING**

Your income may vary and / or may come from various sources.

You have a certain impulsiveness in money matters.

You have a broad view, great expectations and some naivety as to making money and how society could be ordered. You may speculate. Money is spent on your offspring, to express yourself or for your private indulgences.

## **YOUR TYPE OF WORKING LIFE**

You are ambitious, have well-defined targets and like to take initiative in the workplace. You have a strong need to feel passionate about your work.

You are suitable for newly created positions. You may be a sports pro. You can do engineering or repair. Other options include cold canvas selling, political debating, troubleshooting or other jobs where you have to rely on your quick response or quick wit. You could do well as a criminal prosecutor or attorney, in the police or in the army.

You match with non-profit organizations and with the creative industries. You are fit to be an image builder or public affairs professional. Alternatively, you are also cut out to be a public service employee or lawyer. You tend to group work and assume responsibility for its effectiveness. You are a good researcher and have a knack for quality control.

## **YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH**

Don't shy away from healthy conflict to leverage your appeasing nature.

Do not escape permanently in a dream world, instead accept reality and what you can and should do in the here and now, so that dreams and ideals can fertilize instead of paralyze you.

## YOUR RESULTS

You find your goal in life slowly but surely. Taking initiative is essential to you. Your credo is "Just do it!".

Your destination is in finding enlightenment and doing things which offer a chance to proudly express yourself.

Your destination is determined by your fundamental ability to influence public consciousness and to engage in effective partnering. You have a strong urge to be independent and self-sustaining. You have a strong drive to act, while not forgetting about harmony with the world outside.

## YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Individualist** stage, as opposed to the later Social and Governance stages. In the Individualist stage, the ego and its drive are predominant.

More specifically, yours is the **Expansion** phase. Here, willpower meets the outside reality for the first time. Issues from the past should be solved. New visions emerge as a result.

Within this phase, you have the position of **Opposing Realist**. You grow through inner conflict and by experiencing perceived imperfection while dealing with your individual self or with others. You then turn this conflict into a new and challenging, compelling mission for broader audiences. You cater to latent, previously unmet needs of that audience or set out to solve issues for them.

Famous persons with this Opposing Realist position: Friedrich Nietzsche, Sigmund Freud, Paul McCartney, Fidel Castro, Martin Luther King, Pope Francis Bergoglio.

## YOUR ABILITY TO HELP OTHERS

You have a talent to help others develop good communication skills. You can create a great atmosphere for exchange of ideas and viewpoints.
