## **YOUR GENERAL PROFESSIONAL TYPE**

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You tend to solism. You can energize yourself as a self-starter. Make sure you keep your egoism in check and your feet on the ground. You may lack objectivity and perspective. Others with a more distant way of looking at things may help you out there. You are involved in non-subjective, important matters of a timeless, principled nature. Your ego is subservient to that.

To you, work has a meaning in itself. It is also a way for you to contribute something meaningful to society, rather than pursuing personal interests. Money or status are of little or no importance to you.

You are a **Dynamo**. Full of energy, you need challenges, to which you react swiftly. You may be good at precision work that must be carried out at once. You are suited for the military, for surgical work or for other work requiring immediate, concrete action.

## **YOUR CORE SELF / PRIMARY ASPECTS**

You are a **Sensible and Empathical** person, with a talent for providing services. You are a perfectionist and you are integrity- and security-driven. You are at home in small or mid size business, family business, family care or other tightly-knit communities with lots of heritage, traditions and / or codes.

You have a strong sensibility and a tendency to move towards, away from and back again to the outside world.

## **YOUR CORE SELF / ADDITIONAL ASPECTS**

You are very career-minded. You tend to work very hard to succeed. You should beware of workaholism.

## **YOUR CORE TALENTS / GENERAL**

You have a deep motivation and a strong ability to uncover social problems; to criticize and to reform the present social order. Your ego is dedicated to serving a greater good.

Your home is your castle, whether it is big or small. You are less suited for equal partnerships.

## **YOUR CORE TALENTS / DOING**

You are at home in a competitive, possibly even revolutionary environment. You are suited for the military, or for other commanding positions where it's clear that you are calling the shots.

You have good conceptual, developmental and innovative skills.

## **YOUR CORE TALENTS / THINKING**

You are a good legislator. You have a strong intellectual capacity. You are playing according to plan. You are not inclined to do practical, functional work. You have an interest in the subconscious, in timeless principles and in metaphysics.

## **SOME STRENGTHS...AND CHALLENGES**

You can turn a situation to the advantage of yourself or your stakeholders. You can create and implement breakthroughs with your work, but take care not to overdo it. You may buy impulsively and spend too easily. You are good at pioneering work. You may have to create your own territory. You bring a strong vitality along with everything you do, provided you accept yourself. You have a talent for social innovation. You may work on new, revolutionary social structures.

## **YOUR WAY OF ASSET BUILDING**

You carry on relentlessly for wealth creation and material security.

You have a certain impulsiveness in money matters.

You want to build your personal empire and lead a regal life, which others may benefit from as well, provided they pay tribute to you.

Money primarily serves to reinforce your authority and to get you up the ladder of success.

## **YOUR TYPE OF WORKING LIFE**

You are highly adaptive at the workplace, but you have limited patience and you need lots of variety. You have a strong need to feel passionate about your work. You have an international scope. You like to work in a visionary environment. You may be into work with an educational, developmental character. Your job might include plenty of reaching out and connecting: account manager, marketeer, promotor or motivator. You may work in the health sector, but also in the arts.

You prefer a familiar, personalized and comfortable working environment.

You are good in helpful, coaching, turnaround roles. Things may turn for the better and you tend to land on your feet.

Your work tends to involve a great deal of care for others.

## **YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH**

Suspend your grand vision and stay curious, keep an open mind as to other people's ideas, you may well synthesize them into a new and refined big picture.

Dare to retreat from the overly organized and productivity-focused world and allow for silence and mystery to spark new ideas and productivity.

## YOUR RESULTS

You may frequently change your goals in life. You go with the flow when setting and fluidly adjusting your goals in life. You rely heavily on your intuition. Your destination lies in guiding and being guided by universal, timeless principles.

Your destination is determined by your fundamental ability to develop philosophies and visions which will bear fruit (much) later.

Your personal interests should clearly be subordinated to matters of greater importance for society as a whole. You are an intellectual, legislator or communicator. Social harmony is essential to you. You are cut out to become a soldier, surgeon or other alpha figure. Your considerable intellect is used as a defense mechanism on behalf of your equally high sensitivity. You are a sharp observer and researcher. You can detect and characterize what is actually going on.

## YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Governance** stage, which is after the Social stage and before the cycle starts again with the Individualist stage. In the Governance stage, the focus in life is on general standards and values rather than on one's own individuality or on specific groups.

More specifically, yours is the **Demonstration** phase. This phase stands for spreading the word. You have a strong missionary zeal.

Within this phase, you have the position of **Apostle**. You are a preacher of a well-defined set of beliefs. You go out on a mission, battling for followers. Famous persons with this Apostle position are Paul Verhoeven, Brigitte Bardot, Claude Monet, Vincent van Gogh, Keith Richards.

## YOUR ABILITY TO HELP OTHERS

You have a talent to help others with health issues or with matters of risk and security. You can also provide financial advice and administrative support.
