YOUR GENERAL PROFESSIONAL TYPE

You like to get things going, here and now. Your work and workplace should offer options to leave your personal mark. You are searching and accepting operational responsibility. Your ego manifests itself directly in everything you do. But you are also involved in non-subjective, important matters of a timeless, principled nature. You have a balanced set of purposes. Work is a means to reach personal fulfilment for its own sake, but you also aim to create personal wealth and to contribute something meaningful to society.

You are a **Homo Economicus**. You are professional, accurate and reliable. Diagnosis and analysis are your middle names. You utilize resources to the max. You can work as a risk manager or operational manager. You may be active in the health sector. You may need a clear mandate or impulse to get going. At times it may be difficult for you to make clear choices, because you see both the value and the downside of each alternative option. You may need to find a fruitful way to deal with the chaos you experience around you, or in your head.

YOUR CORE SELF / PRIMARY ASPECTS

You are an **Investigator**, good at deep drilling (material or immaterial). You can be a trouble-shooter or crisis-manager. You may work for bigger organizations or important matters, but tend to solitary work.

You have a very strong loyalty towards concepts and models and are generally persistent and uncompromizing about them. You tend to be a bit of an outsider because of your values.

YOUR CORE SELF / ADDITIONAL ASPECTS

You have a friendly nature. You are caring and receptive, possibly a bit naive or impressionable.

You are suited for crisis management and for investigative work. You are good at managing other people's talents, interests or assets behind the screen.

YOUR CORE TALENTS / GENERAL

You have a critical mindset. You strive for security by thoroughly analyzing situations and calculating risk. You are able to develop grand visions, which you passionately hold on to as well.

YOUR CORE TALENTS / DOING

You can be an effective crisis manager and troubleshooter. You also have the talent to be a movie director. You can also be a successful marketer. Physical vitality or creative expression are key in whatever you do.

YOUR CORE TALENTS / THINKING

You are a good legislator. You have a strong intellectual capacity. You are playing according to plan. You have a deep curiosity. You may be an intermediary and organizer of talents and assets held by others.

SOME STRENGTHS...AND CHALLENGES

You have a knack for aesthetics and fine arts.

You can be seductive. You should avoid useless competing and bragging to mask your insecurity.

You may successfully break away from limiting situations quite drastically and suddenly. Your world view may change abruptly; so may your social standing. The price you pay is estrangement from previous beliefs and / or peers.

You are very earnest and diligent. Understand that these traits are not an end in itself.

You are very decisive and combative. You talk spontaneously and without much reflection. You are a sharp critic. You have a tendency to be on the road continuously. At times, you may find yourself struggling to get by.

You may have to overcome rejection before you succeed.

YOUR WAY OF ASSET BUILDING

Your income may vary and / or may come from various sources.

You have a certain impulsiveness in money matters.

You have a broad view, great expectations and some naivety as to making money and how society could be ordered. You may speculate. You can make money through inheritances, insurance, receivership, royalties or asset management for others. You are not integrated in the established order, but have an outsider tendency. You should develop self-esteem while building your wealth - or, even better, while growing indifferent to it.

YOUR TYPE OF WORKING LIFE

Routine and procedures are important to you. You are practical and well-organized. Job security is essential to you, as is the protection of material and social capital. You match with non-profit organizations and with the creative industries. You are fit to be an image builder or public affairs professional. Alternatively, you are also cut out to be a public service employee or lawyer. Your work tends to involve a great deal of care for others.

YOUR PATH TO PERSONAL AND PROFESSIONAL GROWTH

Don't shy away from healthy conflict to leverage your appealing nature.

A good and suitable team or peer group will only like you better if you stand your own ground and dare to express your unique self.

YOUR RESULTS

You may frequently change your goals in life. You work toward your goals in a rational and persistent manner. Your destination is in decisive diagnosis, analysis and organization. Your destination is determined by your fundamental ability to assume authority and leadership. You are an intellectual, legislator or communicator.

YOUR GENERAL ROLE IN SOCIETY

Broadly, your position is in the **Individualist** stage, as opposed to the later Social and Governance stages. In the Individualist stage, the ego and its drive are predominant.

More specifically, yours is the **Expansion** phase. Here, willpower meets the outside reality for the first time. Issues from the past should be solved. New visions emerge as a result.

Within this phase, you have the position of **Performing Artist**. You create in and for social interaction, to gather approval. This can be done in several ways: storytelling, entertaining; building new structures; sowing for future growth. Famous persons with this Performing Artist position are: Frank Sinatra, Alfred Adler, William Booth, Ronald Reagan, Warren Buffett, Jordan Peterson, Niki de Saint Phalle.

YOUR ABILITY TO HELP OTHERS

You have a talent to help others with health issues or with matters of risk and security. You can also provide financial advice and administrative support.
